

# SPORTELLO MATEMATICO IN A NUTSHELL

A Technology Transfer project  
led by the *Istituto per le  
Applicazioni del Calcolo "Mauro  
Picone"* of the National  
Research Council (**CNR**) of Italy

## MISSION

*To build a concrete bridge of  
common interests between the  
Italian mathematical community  
and Italian enterprises*

### Research Centers

Creators and providers  
of Maths Innovation

### Industry & SMEs

Users of  
Maths Innovation

## OBJECTIVES

To foster the use of  
Mathematical  
Technologies in the  
productive sector

**ONE-STOP-SHOP**  
in the field of  
Mathematical  
Technologies

To stimulate the  
engagement  
of young  
mathematicians in  
enterprises

## NUMBERS

**45+**

Research Partners  
in the Network

**25+**

Technical Meeting

**10+**

Internships

## CONTACTS
